Chapter 6

The Rebel Shadow Master 2

Message from Tora:

Hey, it's finally another release of The Rebel Shadow Master!!! Yes, I just used the english title, it's hard not to when it's on the cover, lol. I usually refer it as Hangyaku because it's easier to type, but I'm going to release it as its English title, because I can. So, unfortunately we can't release more frequently...I still haven't solidified the work flow (how fast the translations come in) for it yet to for now we'll have to safely wait on a month-by-month basis. If worse comes to worst, I'll start translating when May comes (my summer vacation) and hopefully speed up my GENEROUS friends on their backs, haha. I don't think any of us are exactly motivated for this project, but seeing it done would clear my conscience two years ago. I wasn't even on the project before, haha. And so, not picking up another Substitute project.

Chapter 6: The Unforgiven

611.
LIEUTENANT-GENERAL RAVE, WHAT A DISGRACE I'VE SHOWN YOU...
611!!

Please wait in the reception room.
This is my responsibility, so I will handle this.
GIGI
WHY'RE YOU ALL JUST STANDING AROUND!?
HURRY UP AND LEAD THE LIEUTENANT-GENERAL!!
Hmm?

GET AWAAA

HEY... ARE YOU OK!?
HURRY, GET ON!!
Cough
Cough
Cough
Cough
Who's that!?
GII!!

WHAT'RE YOU DOING, GET ON!!
HEY!!
EEK!
LET'S GO!!
WAIT, HIM TOO!?
DAMMIT!!

WE'RE RUNNIN' AT FULL SPEED-!!

Who was that masked man?
Major Detona,
DAMMIT.

Lieutenant-General Rave, a message has arrived.
Excuse me.
Hmm.
HIS BOUNTY ISN'T THAT HIGH EITHER
WHO HE IS? HE'S NOT SOMEONE YOU SHOULD BE CONCERNED ABOUT.
SIR.
Major Detona.
Unfortunately, I thought you were someone with a good eye,
!
I will step in, but... you understand what I mean, right?
If you fail...
You said you would handle this, right?
Be careful.

WHAT WERE YA THINKING, CALL!?
It's fine if you die once!
Even so, if we left him there, he would've been killed.
EEK!
THIS GUY TRIED TO SELL US, Y'KNOW!?
It couldn't be helped, so for now,
Well, it didn't seem like anyone else was going to wake up.
When I saw that your shadow only slapped me awake...
Geez!! After that, it was crazy, y'know!?
!?
I moved everyone in here.

How?
They walked here themselves.
'Course not!!
IN THAT SMALL PERIOD OF TIME, YOU CARRIED EVERYONE!?
GET OUT!!
What'cha going to do now, Cali?
but for now, I used my shadow too much, so I'm exhausted.
It's a pain to explain,
RIGHT NOW!!
LEAVE THIS BARN!!

You guys came here during the day. You're Major Detona's goods, right?
GET OUT!
WE DON'T WANT IT TO BE LET OUT THAT WE HELPED YOU... MAJOR DETONA WILL KILL US!

What? So people were here.

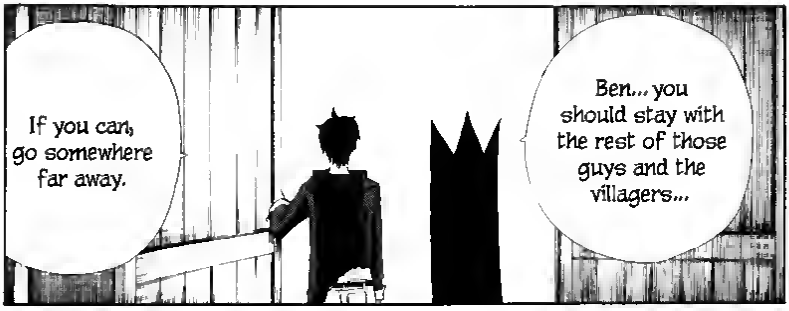
I understand.
CALL !?

CALL!? WE SHOULD IGNORE THESE WIMPS!!
YOU PEOPLE!! YOU KNEW AND SAID NOTHING!?

It's fine... I'm the only person they're after.
They've figured out my identity, so they're sure to come looking for me. Besides...

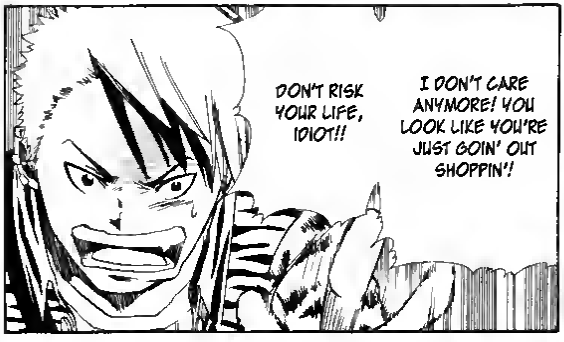
But the only one who will be leaving is me.
Please let everyone else stay here.
!?
THAT THAT'S NOT POSSIBLE

I have a connection to Rave.
If I can't defeat someone like Detona, then there's no way I can contend with Rave.

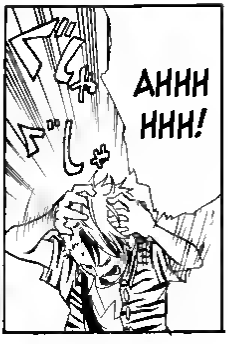


If you can, go somewhere far away.
Ben... you should stay with the rest of those guys and the villagers...

A small fight is coming.

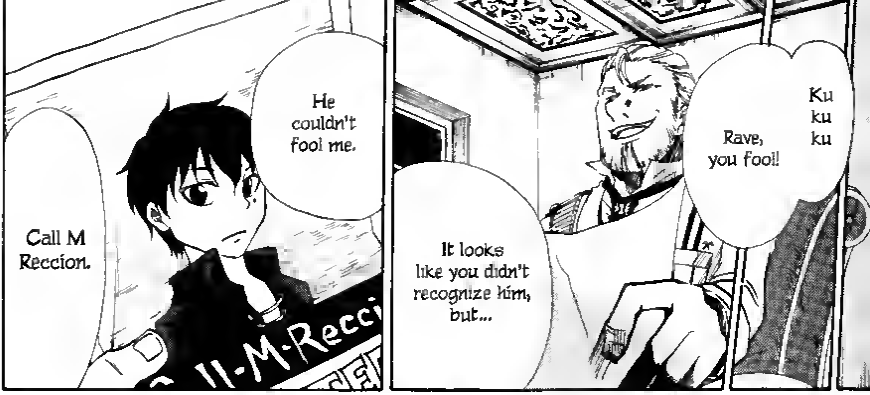


DON'T RISK YOUR LIFE, IDIOT!!
I DON'T CARE ANYMORE! YOU LOOK LIKE YOU'RE JUST GOIN' OUT SHOPPIN'!

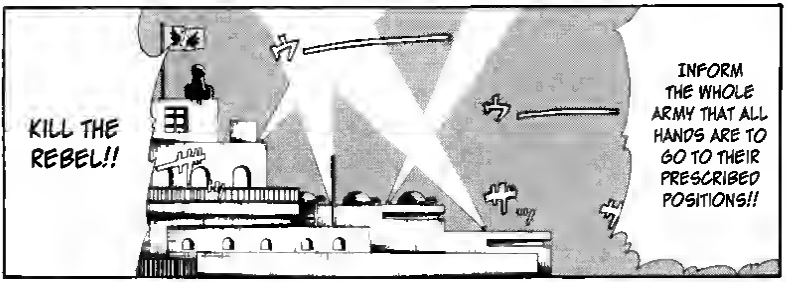


AHHH HHH!

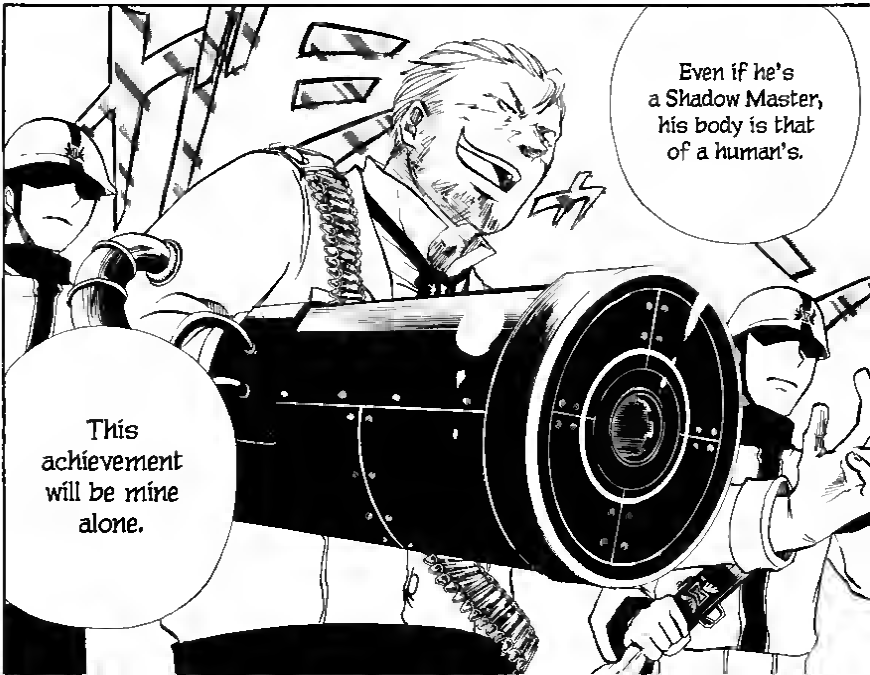
YOU ABSOLUTELY HAVE TO WIN, CALL, YOU BASTARD!
Yeah.
VILLAGER A! VILLAGER B!
HEY, LET'S GO,
IF YOU DIE, I'LL KILL YA!



Call M Reccion.
He couldn't fool me.
It looks like you didn't recognize him, but...
Rave, you fool!
Ku ku ku



KILL THE REBEL!!
INFORM THE WHOLE ARMY THAT ALL HANDS ARE TO GO TO THEIR PRESCRIBED POSITIONS!!



Even if he's a Shadow Master, his body is that of a human's.
This achievement will be mine alone.

WE CAN FIRE AT ANY TIME!
MAJOR DETONA!! ALL HANDS ARE IN POSITION!

SHOULD WE FIRE A WARNING SHOT!?

No...
He's here.
DETONA... I WILL DEFEAT YOU,
AND DRAG OUT RAVE!
